

Please send a check for \$35 payable to The Primary Day School by Friday, September 25.

Keep this flyer handy for photo day details.

# PICTURE DAY!

## When

Stone Photography will be at Primary Day on **Tuesday, September 29** to take **Pre-Kindergarten and Kindergarten** class pictures and each child's individual portrait.

**First and Second Grade** students will have their pictures taken on **Wednesday, September 30**. The photographer will begin promptly at 8:30 a.m.

Weather permitting, the individual photographs will be taken outdoors.

## Cost

The Memory Mate portrait package will include a 3 1/2 x 5 individual photo with a 5 x 7 class photo mounted together in an 8 x 10 mat board ready to frame. Also included in the portrait package are 4 wallet size prints and a 3 1/2 x 5 in its own photo mount. The cost of this package is **\$35.00**.

The Memory Mate package photos can not be sold separately so if you would like anything different from this photo package or if you would like to order additional prints, please contact Bob at Stone Photography at (301) 654-3185.

## What to wear

The photographer suggests that the children be dressed in subtle clothing, avoiding patterns that are too busy. He recommends fall colors (if the photographs are outdoors) and imaginative attire, if you desire.

## Procedure

Please send a check in the amount of **\$35.00**, made payable to **The Primary Day School**, in an envelope labeled "picture money" to the front office by **Friday, September 25**. (no form required)

**All children will be photographed but only those who have prepaid will receive a Memory Mate Package.**

The portrait packages will be distributed in approximately four weeks. If you are not satisfied with your child's portrait package, please return the **unopened** portrait package to Mrs. Gagarin who will return your check.

A display of Stone Photography's school portraits is located near Mrs. Gagarin's office in the front entrance of the school.
