

THE TUITION REFUND PLAN

*The Tuition Refund Plan is in use at over 1200
leading independent schools and colleges*

2019-2020

WHY DO YOU NEED THE TUITION REFUND PLAN?

Your financial obligation to the school is for the full annual tuition as stated in the school's enrollment contract. The school cannot refund tuition or cancel unpaid obligations if your child is forced to withdraw during the academic year.

If your son or daughter withdraws, the Tuition Refund Plan will pay benefits (subject to the terms of the policy and the amount insured) to the school, which provides substantial assistance in meeting your financial obligation.

Every year, thousands of students must withdraw from private schools. The following are examples of reasons why:

- Sport Injury
- Mononucleosis
- Automobile Accident
- Death of a Student
- Psychological Problem
- Respiratory Infection
- Mental Health Conditions
- Other Medical Conditions

**This leaflet explains how to protect your tuition commitment against
unforeseen medical withdrawals.**

The Plan provides substantial insurance protection at a modest cost.

WHAT THE PLAN COVERS

WITHDRAWAL OR ABSENCE FOR MEDICAL REASONS

- The Plan will pay **100%** of the *unused yearly insured fees*, less a four day deductible period, provided the student's **injury of sickness** forces the student to withdraw from school or medical absence lasts for more than four consecutive days.
- The Plan will pay **60%** of the *unused yearly insured fees*, less a four day deductible period, provided the student's **mental health condition**, as referenced in DSM V, forces the student to withdraw from school or medical absence lasts for more than four consecutive days.

Subject to its terms, conditions and limitations and in the event of a covered separation of a student, the Tuition Refund Plan will pay benefits as outlined above, based on the amount insured, to the school which provides substantial assistance in meeting any outstanding financial obligation of yours to the school.
