

Dear Primary Day Families,

Our hallmark event is back! In-person Beakos return starting on March 4! It will be a jubilant moment to have our families back with us as we give your children the chance to perform and develop confidence in front of a group. The children cannot wait to welcome you back to school, and I, too, am so excited to experience the special Beako assemblies about which I have heard so much!

If you haven't already done so as mentioned in a prior email, please send in your vaccination cards, complete with booster, to Emily Woodside, e.woodside@theprimarydayschool.org, so that you can attend. We **must** have this on file for you to come to school for any event, so please get it on file as soon as possible. **All guests must wear an appropriate mask.**

For now, because of distancing requirements and the capacity of the Beako Room, **this event is limited to TWO vaccinated guests per family.** Please do not put us in the position of having to turn extra guests away. Because of required spacing the room will be at capacity, but with your cooperation we will make it work. Some guests may have to stand.

We will continue to offer a Zoom link so that other family members can watch.

Mark your calendars – all Beako programs will begin at 8:45 am. They will be split the way that they were in previous years. Here is the schedule:

Please do not attend if you are experiencing any COVID symptoms.

Please enter the school through the front doors. Staff will be there to welcome you, sign you in and direct you to the Beako Room. **Remember, only two fully vaccinated guests per family.**

For the March Beakos, weather permitting, coffee will be available on the patio outside the Beako Room. Feel free to drop off your child(ren), park, save a seat and have coffee before the Beako begins. Please drink outdoors only, as masks must be kept on while indoors.

When the program is over, please exit via the Beako Room outside doors. You may visit with friends outdoors while the students return to their classrooms and before you leave campus.

Thank you so much for all the patience, understanding, and support you have shown since our last in-person Beako was held in winter of 2020. To say that we look forward to hosting you inside the school is quite the understatement!

See you soon!

In the spirit of Beako,

Neil Mufson
Head of School
